About the SRS Martha E. Rogers Scholars Fund (The Fund)

The Fund raises financial resources to support its educational and scholarship activities. It was created in 1994. A silent auction is generally held at in-person conferences to raise monies to support the work of The Fund. The auction will not be an option this year. The Fund invites you to make a contribution (*note*: this is not the same as the registration donation) to The Fund for advancing the Science of Unitary Human Beings and helps support the Annual SRS Martha E. Rogers Scholarship Awards. If you wish to make an additional donation to The Fund, please be sure to state that your donation is for the SRS Martha E. Rogers Scholars Fund, Inc., which is a tax deductible contribution.
